

EVENT INTERCESSION- PRMI

WHAT IS EVENT INTERCESSION?

Lesson1

This is important when we are preparing for a special event or maybe for a regular church service. This type of intercessory prayer can involve only 2 people or a large team.

We learn to interact with clarity. We work as a team and learn to interact with the leader. This kind of prayer does not start when we walk in the door or down the aisle. We pray ahead of the event, During the event and after it has finished.

What can we pray? If it is a church service or an event we pray that the Spirit of the Lord will draw people in.

Consider: What is your assignment or the teams assignment?

What authority do you have.?

Pray in agreement.

There are several models of this kind of intercession.

We can pray on site, pray off site or a combination of both.

When we are on site we can easily be distracted and off site it is hard to share discernment

Always remember we are a team and each member has gifts that he or she can use to bring clarity and unity into the prayer.

Lesson #2:

Preparing ourselves for interceding for an event.
Spiritual Preparation and personal readiness is a must in this kind of prayer.

Ephesians 6:10-18. Put on the Armor of God.

We are to prepare our attitude, through Jesus Christ and absolute faith in God. Be careful of what we are hearing, Test what we are hearing with the Lord and with one another.

Matthew 20:25-28

Spent time in the scriptures and the Word of God.
We want to hear from the Spirit of God and have the attitude of a Servant, just as Jesus did.

Watch out for pride!

When interceding for longer events ask others to be praying for you.
We need to know the logistics of the set up and the locations we are to be in to cover the event.

Are we to stand on the wall or in a separate prayer room.? We don't want to be a distraction.

Where can we connect to share discernment.

We are to cover all others in prayer.

We are to pray for the physical space we will be in. This is not only in the sanctuary or meeting place, but also in the Lunch room, Bathrooms, resting areas.

We are to pray for all the electronic that will be used without interruption.

LESSON #3

- Inner Action between intercessors and main leaders/speakers/ leadership.

There is a great benefit in having the understanding of each others roles and appropriate ways in place for sharing information, discernment and encouragement.

Vision for the event is vital , whether it is for a Sunday morning Church service, Camp Gathering or a large conference. Know the personal needs of the speakers and how they would like to receive information. When to debrief to the leadership and give words of encouragement.

Find out how is it going from the leaders and from the intercessors; Have team meetings 1 time daily and debrief with the team (one person gather information and share with the group)

WATCH OUT FOR CONFLICTING MEETINGS!

Talk to the leaders and share information with intercessors and one person go between to share information at intercessors meetings. Write down or verbally communicate between groups.

SERVE THE LEADERS OR SPEAKERS.

Be sensitive to their needs. Try to think ahead before they ask.

HAVE THE INTERCESSORS PRAY OVER THE SPEAKERS AND MUSICIANS AND THEN HAVE THE SPEAKERS PRAY OVER EVERYONE.

EXODUS 17- MOSES, JOSHUA, ARON, HUR.

You Are authorized, Strengthened and given power by God.

There is to be no division and we are all to work together.

Lesson #4- What do we pray about?

Be aware for the Vision for the Event and the scriptures that are being highlighted. Pray into the vision or purpose for the event.

We pray in Cooperation with what God is doing and pray against anything that would distract us from His purposes.

DON'T PANIC- cooperate with the Lord.
Personal preparation is important. Rest, adequate sleep, avoid distractions,
Confessions, repentance, when needed.
Flow into the event and focus;

Ask God to soften their hearts to be able to receive HIS word and His spirit. No resistance to the Holy Spirit. Repentance and confession and forgiveness will flow freely

God have given each person special gifts to be used for HIS purposes. Everyone is important in this **CONCERT OF PRAYER. No one has all the gifts. We all need one another.**

This is a team effort. Keep your eyes open and be aware of what and how people are receiving.

Remember some prayer is on site, some if off site and some can be across the world. **GOD HEARS IT ALL.**

LISTEN TO THE HOLY SPIRIT AND WORK TOGETHER.
