

UNITE 2022
Financial Commitment Statement

Every student attending UNITE will be responsible for the full cost of their registration, which is \$385.00. A \$200.00, non-refundable deposit is due by March 20th. This will be the first payment toward your UNITE registration. The second payment for registration is \$185.00, which will be due no later than April 3. If a family does not feel comfortable covering the registration cost, please talk to Katie or Mike. We want to ensure every student has the opportunity to join us for UNITE.

Transportation is a variable cost that won't be finalized until the close of registrations. At this time, we are estimating travel to be \$600-650.00 per student. You are welcome to use airline miles and companion fares as long as you are able to book the exact same flight as our group. To help with the cost of UNITE, we will host 3 fundraisers over the coming months. Every student and family will be required to participate in 2 out of the 3 fundraisers to help lower the overall cost for everyone. There will be opportunities to make-up fundraisers if the 3 offered do not fit with your schedule. Below is a commitment agreement which will help us determine the amount we need to fundraise. Please prayerfully and honestly consider your family's financial situation to determine how much you're able to commit to paying for your student's transportation costs.
