

Sadie is a sensitive, loving, caring, incredible bread maker, who loved to spend time with family. Her hobbies included knitting, blueberry picking, picking and smoking salmon in Egegik at fish camp. She loved working out with Cross Fit and was very active with friends in that community. Loyal and graceful are regularly used to describe Sadie; she will be missed by many.

Sadie was born in Spokane, Washington to Edward "Ted" and Denise Smith on September 16, 1985. She went to college at Valley City State University, North Dakota, and University of Alaska, Anchorage campus. She married John Paul Huffer on July 28, 2007, in Eagle River. She graduated from University of Alaska Anchorage with a bachelor's and master's degree in social work. Sadie went on to become a Licensed Clinical Social Worker. She worked in many social work-related roles for Providence Alaska Medical Center for fifteen years.

Sadie was recently trained and commissioned as a Colson Fellow based out of the nationwide Colson Center Program and her 2006 softball team was inducted into the sports hall of fame at Valley City State University.

Sadie is survived by husband John Paul Huffer: children, Tyler, Blaise and Jane: sisters, Samantha Lamphier and Sarah Ransom; parents, Edward and Denise Smith, in-laws Tom and Stella Huffer and several nieces, nephews, cousins, aunts and uncles who adore her.

The family of Sadie wishes to extend our sincere thanks to: Anchorage Fire Department Crews, Alaska Native Tribal Health Consortium, Providence Alaska Medical Center, The Cross Fit Organization, Community Covenant Church, St. Andrews Church, Colson Fellows Program and the Colson Center and all the wonderful people across our Alaska community who have reached out with love and support for our family.

The most important thank you goes to our God! We thank Him for the time Sadie was on this earth, and we thank Him for all His blessings.

“Be still, and know that I am God;  
I will be exalted among the nations,  
I will be exalted in the earth.”
